

The University of Texas at El Paso

1 June 2016

Dr. Jorge Lopez
Professor
Department of Physics
College of Science
University of Texas at El Paso

Subject: BUILDing SCHOLARS & College of Science 2016 Mentoring Award

Dear Dr. Lopez,

Congratulations, you have been selected as the winner of the College of Science & BUILDing SCHOLARS Mentoring Award for 2016, based on your demonstrated excellence in student research mentoring! You rose to the top through a competitive review process, which included multiple strong applications from other faculty members in your college. You should be proud of this achievement!

We are currently working on distributing your \$1,000 award, and we will provide you with details about that soon. Additionally, we will be announcing the award via our website, our newsletter, the campus bulletin, and other media outlets. Finally, we are planning on formally conferring Mentoring Awards to you and the recipients from other colleges at a fall 2016 Office of Research and Sponsored Projects event. We will be in touch regarding that event as soon as it is scheduled.

In the meantime, please review the information provided immediately below, which will be included in your award inscription. Are those details correct? Please reply to confirm that the details are correct, or if any changes are needed.
