Dr. Jorge Lopez
10659 Vista Lomas
El Paso, TX 79935

Dear Dr. Lopez,

It is indeed a pleasure for us to inform you that you have been selected as a recipient of the prestigious *Regents' Outstanding Teaching Award*. Congratulations on this important recognition of your commitment to teaching through the delivery of the highest quality undergraduate instruction.

Only a select number of faculty members from across The University of Texas System were chosen for this honor and the accompanying monetary award, and to win one of these awards is truly a remarkable achievement. After a rigorous campus-level review, the President of each U. T. System academic institution forwarded the names of the most qualified candidates for consideration. The nominations were evaluated by an external review committee comprised of faculty members recognized for teaching within the U. T. System and nationally.

In addition to your monetary award, we invite you to a special dinner in Austin honoring all of the *2016 Regents' Outstanding Teaching Award* recipients on Wednesday, August 24, 2016. In addition, the U. T. System Academy of Distinguished Teachers invites you to attend a teaching forum they will be hosting prior to the award ceremony. Details regarding the dinner and the afternoon forum will be forthcoming.

We commend you on your phenomenal accomplishments and look forward to the opportunity to meet you and visit with you about your experiences.

With high esteem and greatest respect,

Paul L. Foster
Chairman

William H. McRaven
Chancellor
