

XII International Symposium on Radiation Physics

You are invited to participate to the “XII International Symposium on Radiation Physics”, that will be held in the Carolino Building of the “Benemérita Universidad Autónoma de Puebla” in downtown Puebla city from Wednesday April 6 to Friday April 8, 2016.

Important information:

- **Deadline to submit abstracts:** February 12, 2016, send your abstracts to Guillermo Espinosa, espinosa@fisica.unam.mx, or Jorge López, jorgelopez@utep.edu. Here is a [SAMPLE ABSTRACT](#).
- **Notification of acceptance:** February 26, 2016
- **Deadline to submit full papers:** April 6, 2016
- **Hotel:** The participants at the symposium will have a special rate in the “Hotel Palacio San Leonardo” (www.hotelsanleonardo.com.mx). Please hurry up to make your own reservations.
- **Transportation information:** Puebla is two hours away from Mexico City and the best method of transport is by bus from Mexico City. Flights should be arranged to the Mexico City Airport where buses depart every hour from the Airport to downtown Puebla directly. Buy your bus ticket inside of the airport, the price should be about \$20 USD.
- **Conference fee (\$200 USD)**
- **Oral presentations will be given the opportunity to publish an article in the AIP Conference Proceedings Journal.**

XII International Symposium on Radiation Physics
Benemérita Universidad Autónoma de Puebla
Puebla, Pue., México, April 6-8, 2016

Organizing Committee
Pedro Hugo Hernández (BUAP)
Gerardo Martínez-Montes (BUAP)
Jorge López (UTEP)
Carlos Vázquez-López (CINVESTAV)
Guillermo C. Espinosa (IFUNAM)

Scientific topics
Radiation Physics, Radon
Environmental Radiation
Interaction Materials-Radiation
Accelerators, Radiochemistry
Instrumentation, Applications

International Advisory Committee
Floyd McDaniel. UNT, USA
Laszlo Sajó-Bohus. USB, Venezuela
Luigi Tommasino. CNEA, Italy
Sam Glover. NIOSH, USA

Important Dates
Registration deadline:
12/2/2016
Conference fee:
\$200 USD

Oficial web page: <http://www.smf.mx/~fr-smf/>

For more information contact:

- **Guillermo Espinosa:** espinosa@fisica.unam.mx, MEX 52-555-622-5051552-429-6757
- **Jorge López:** jorgelopez@utep.edu, USA 1-915-747-728 (UTEP), 1-915-313-1302 (Cel).
